

## ***Cinco de Mayo golf tournament scheduled at Palms Golf Club***

A unique Cinco de Mayo golf tournament scheduled for Wednesday, May 5 at the Palms Golf Club proved so successful last year that the format has been changed to accommodate a big field.

“We ran out of tee times last year,” said Patrick Flynn, the tournament director and a member of the Black Gaming Sales Department. “The tournament is aimed at the local people because it’s a mid-week event and the retirees especially responded quickly this year.”

Flynn further explained that he attended a block party at his neighbor’s house where the event was being promoted and 16 entrants signed up the next day.

“We’re having some drink specials along with some Cinco de Mayo themes,” said Flynn, a native of Lorain, Ohio near Cleveland who has lived in Mesquite for nearly 17 years. “For instance, we have a little different twist. On the closest to the pin of a Par 3 we will have Closest to the Sombrero and we decorate the entire clubhouse in serapes and maracas with piñatas.

In addition, drink specials will include \$2.00 Coronas, \$2.00 tequila shots and \$3.00 Margaritas.

The tournament which includes a \$50 entry fee will begin at 11 a.m. from the first hole. A post tournament gathering will be presented at the Palms and will include prizes and appetizers including an assortment of Mexican foods.
