GOLF

CasaBlanca Golf Club

The CasaBlanca Golf Club features an 18-hole, 7,011 yard championship course designed by Cal Olson, owned and operated by people who love to play golf.

The CasaBlanca Golf Club offers lush emerald fairways that wind through the wetlands while desert wildflowers accent rye grass fairways, bent grass greens, white sand bunkers and sparkling lakes.

The Palms Golf Club

The Palms championship golf course is one of the finest in the Southwest. Comprised of lakes, sand traps, and over 200 palm trees, the 7,008 yard, par 71 golf course is a challenge for golfers of all levels.

The front nine offers extended fairways, perfect for the long drivers. The back nine provides a mountainous style of golf where shot placement is key. The 15th hole has a breathtaking view and a vertical drop of 114 feet from the tee to the fairway.
