## Bright Lights, Little City

When the desert sun goes down, the stars come out as CasaBlanca and Virgin River heat up with some of the best live entertainment in the entire region.

The Virgin River features a 24 lane bowling center, live Keno, Bingo and the largest Race and Sports Book in Mesquite.

Don't forget to visit the River Lounge for live country and western entertainment and dancing. You will find your favorite beverage at the Long Bar.

CasaBlanca Event Center is Mesquite's entertainment headquarters, hosting top talents like LeAnn Rimes, Chicago, Wynonna, Kenny Rogers, Jo Dee Messina and Larry the Cable Guy.

CasaBlanca Showroom hosts a wide variety of exciting acts throughout the year, ranging from headliners and tribute artists to hypnotists and acrobats as well as national comedians seen on Comedy Central, MTV, and Jay Leno – and it's no joke.

Virgin River is also where you'll find live country western music and dancing nightly (except for Mondays). Enjoyed by locals and visitors alike, the Virgin River knows how to ensure everyone has a great time and a big grin. It's the reason Virgin River has earned the nickname "the casino with a country smile!"
